AMENDMENT

Dear Sir:

This amendment is responsive to the Examiner's Final Action of February  
23, 2000. Kindly amend the application as follows:

In the Abstract:

Abstract of the Disclosure (Amended)

A radio frequency identification device includes an attachment [means]  
member which is maintained in operative relationship with an object or individual by a  
securement [means] member. The attachment [means] member is disposable and the  
securement [means] member is easily separable therefrom for reuse, the securement
